

Good morning,

I can ask for your support to vote for FUNGUS SAPIENS, we are competing in the Regional Crowdfunding campaign organised by the municipal government of Occitanie in France. With your help we could win € 150,000 and it will only take you 5 minutes!

If you want to know a little more about the project, watch this video: <https://youtu.be/eujDJyZiagc>

Our dream is to build a bio-inspired and bio-fabricated future, to replace polluting products such as plastic and leather and live in respect and harmony with everything that surrounds us.
